PROFILE

I am pursuing my B.Tech (CSE), currently in the 5th Semester at Kalinga Institute of Industrial Technology (KIIT University) Bhubaneswar. As an enthusiastic learner, I am keen to work on real business problems that provides and opportunity to elevate my skills as I explore my career with a professional services organization. I am commited to accelerate my ambitions by working on projects where I can unleash my curiosity and creativity to make a difference as I discover a proffessional life.

ACADEMICS

2022-2026* (Ongoing)   **B.TECH (CSE)**   **KIIT University**   **CGPA: 8.88**

I am pursuing my B.Tech in the 5th Semester at Kalinga Institute of Industrial Technology (KIIT University) Bhubaneswar. So far, I have had a wonderful exposure to varied subjects relevant in the Computer Science Engineering stream. I have been thrilled with the knwoledge gathered from Industry 4.0, Creativity Innovation & Entrepreneurship, DBMS, AFL, OS and OOP.

2020-2022   **DAV Public School, CSPUR**   **AISSCE - CBSE (XII)**   **Score: 88%**

While pursuing my +2 Science, the subjects Physics, Chemistry and Mathemetics provided the essential foundation to start dreaming of pursuing a career in engineering. I did enroll for HPER as my optional subject to allow for staying focusssed on health and fitness.

2008-2020   **DAV Public School, CSPUR**   **AISSE - CBSE (X)**   **Score: 96.4%**

Foundational learning at DAV Public School, CSPUR with English as the established medium of communication helped to expand my curiosity.

TRAININGS

In pursuit of continuous learning, I have enrolled and completed the following taining programs within (and beyond) the engineering caricullum:

`Power BI`   `Business Communication`   `Data & Analytics`   `C`   `Core Java`   `AutoCAD`   `Ubuntu`
